

# DIGITAL MASTERCLASS

**When: Monday 27<sup>th</sup> January 2020**

**Time: 9.45am to 12.45pm**

**Venue: Lagan College, Belfast**

The Digital Masterclass will be an innovative entrepreneurship programme that aims to inspire the next generation to explore the potential of the Digital Tech economy.

## SKILLS DEVELOPED

Managing  
Information

Working with  
others

Thinking, Problem  
Solving and  
Decision Making

Being Creative

The masterclass will provide students with an opportunity to learn about careers in the digital industry and expand their awareness of skills needed to work in that sector. They will hear from an industry guest speaker and take part in fun interactive tasks which will help develop their future employability skills

Time commitment:  
approx. 3 hours
